## Request for Kindergarten Registration Packet

If you have a child who will be five years old before the first day of September 2010, your child is eligible to enter kindergarten in the Gateway School District for the 2010-2011 school year. To request a kindergarten enrollment packet, please complete this form and return it to Gateway School District, Kindergarten Registration, 9000 Gateway Campus Blvd., Monroeville, PA 15146 or call Gateway School District's Central Administration at (412) 372-5300 or send an email to [switchboard@gatewayk12.org](mailto:switchboard@gatewayk12.org). If you have a child already in the district, you may have your child return this form to his/her school principal.

You will receive a registration packet in the mail. To register, bring the completed registration packet, along with your child's birth certificate; current original lease, deed or mortgage statement; two additional proofs of residency (current utility bill, property tax bill, or PA driver's license); and immunization records to the District Administrative Offices. Registrations will not be accepted at the elementary buildings. If your child is missing an immunization, you can submit updated immunizations at a later date.

Please register early. **The sooner an accurate enrollment count can be determined, the better prepared the district can be in meeting the needs of all students.** The deadline to register is April 30, 2010 for families who are currently residents of the school district.
