

2024 Bitful Higher Education Technology Scholarship

Bitful Consulting is a technology consulting firm that puts humans first. We help our clients realize stable, scalable cloud capabilities and build better data and analytics solutions. We're a team that works collaboratively to transform not only our client's businesses, but the communities we live and work in, too.

Purpose: We're partnering with schools in the local communities where our employees live now or where they grew up. We provide scholarships for individuals seeking higher education in a technology related field. A technology related field could include computer science, information technology, information systems, software development, web development, software engineering, cybersecurity, data analytics, business analytics, data science, data engineering, cloud computing, cloud engineering, etc. This is not a comprehensive list, and we encourage anyone pursuing a technology related degree or certificate to apply if they meet the scholarship criteria.

1. DEADLINE for scholarship applications is **Monday, April 1, 2024**
2. Refer to the criteria section below for a list of eligibility requirements and supporting documents needed.
3. If any question does not apply to you in this application, please put N/A in the space.
4. Scholarship winners will be announced via email.
5. Scholarships will be received in the form of a check mailed to the school.
6. Questions? Please email Alli Calland at Bitful Consulting: Alli.Calland@Bitful.com

Award Components: One (1) scholarship ranging from \$2,500-\$5,000 will be awarded to one (1) person selected by the Bitful Consulting scholarship committee. The final scholarship amount will be decided by Bitful Consulting and is subject to change at Bitful Consulting's discretion. Monies may be used by the selected recipient for course tuition fees, room & board, books and supplies, or other additional costs associated with obtaining a higher education degree/certificate.

Criteria: To apply for the scholarship, a student must:

1. Complete the scholarship application.
2. Provide transcripts showing a GPA of at least 3.0.
3. Provide proof of acceptance into a higher or continuing education program.
4. Write a 1-to-2-page letter of intent explaining why they want to further their education in a technology field.

Deadline for the application is **Monday, April 1, 2024**. Applications postmarked after this date will not be considered. Please email completed application and materials to: Alli.Calland@Bitful.com
