Admissions Office**

January 30, 2024

Dear Counselor,

Do you know a junior -- or two -- who stand out from the crowd? Students who are community minded, practice inclusion, and demonstrate exemplary leadership potential? I invite you to nominate them to receive the **Wells College 21st Century Leadership Award**. This award honors top academic performers who have the passion and integrity needed to become successful leaders.

Students selected for the 21st Century Leadership Award can begin their senior year knowing they have guaranteed financial support of \$10,000 a year at Wells College. Once we review their Wells application and transcripts, students may qualify for additional merit-based aid up to a total of \$25,000 a year.

We know you already have a few students in mind, so please nominate them! To qualify for the 21st Century Leadership Award, a student must have:

- ▶ A cumulative grade point average of 85% / 3.0 or higher in a college preparatory program, and
- ▶ Demonstrated leadership abilities through school and community activities.

**Please note that as an NCAA Division III college, we are unable to consider athletic participation when selecting candidates for this award.*

Nominations are due by April 19, 2024. You may submit individual nominations and transcripts for two students. Selection and notification will begin in early May.

You'll find the online nomination form and details about other Wells College scholarships at www.wells.edu/counselor.

Thank you for giving your students the opportunity to receive this top scholarship at Wells! Our enrollment team values your partnership, and we're always ready to answer your questions.

Sincerely,

Gerard Turbide

Vice President for Enrollment Services
