**District Health Council Management Meeting Minutes
February 27, 2018
2:45 PM – 3:45 PM
Gateway Administrative Offices, Conference Room**

- I. Student Wellness Policy No. 246 Review
- II. Discuss Wellness Policy Proposed Revision Segments
 - o Suggested that food be replaced w/ nonedible items e.g. pencils, stickers, etc for class parties
 - School PTO Rep. suggested that this would more than likely be met w/ resistance by elementary school parents.
 - Compromise suggested by offering only “pre-approved” snack foods provided by food service operations to be a good middle ground
 - An updated common allergen-reduced “snack ordering” doc with updated pricing will be shared with the group prior to next scheduled meeting
 - o Group goal is to come up with an amendment to the Policy by the end of the 17-18 school year so that the Board may review and consider it for approval prior to the start of the 18-19
 - Any impacting adjustments to the policy approved by the board, e.g. classroom party protocol will be sited within all applicable school handbooks.
 - o Inquire into the scope of school fundraises.
 - Share policy impacts with Administration so may effectively monitor fundraisers within each building.
- III. Adjournment - Next meeting: TBD
