Volunteering

A final note on volunteering! The best way to ensure you are able to participate in school activities to the fullest capacity is to obtain your independent clearances. For example, field trips are making a comeback this year but only Independently cleared volunteers will be able to attend. Information on the required documentation can be found at <https://www.gatewayk12.org/resources/volunteer-resources>. Once your paperwork is submitted your application will need to be approved by the school board (meetings are mid-month).
