

Dr. Cleveland Steward, Jr. Elementary School

Ms. Cyrene Bey, M.Ed
Principal

September 29, 2023

Dear Parents/Guardians,

We are happy to announce that the Gator Backpack Program will be returning for the 2023 - 2024 school year. If you choose to allow your child to participate, he/she will receive a backpack of nutritional food items every Friday during the school year. The food and backpack provided is at no cost to your child. Participation in this program will be kept confidential and you have the option to stop receiving the backpacks at any time.

If you have any questions or concerns please feel free to contact Ms. Cyrene Bey, Principal or Mrs. Becky Clemens, School Counselor. Please indicate by checking an option on the following page and return this form to your child's teacher by Friday, October 6, 2023. Only one form is needed per family but please be sure to include information for each child. You will receive your first backpack of food on Friday, October 20th.

Sincerely,

Cyrene Bey
Principal, Cleveland Steward Elementary
